Description

This up-to-date version of the universally accepted text from the King James Bible will make a handsome addition to any home. The revised translation is easily accessible for the modern reader, and is based on the original King James Version, published in 1611. In the course of time, the King James Version came to be regarded as "the Authorized Version." It has been termed the "noblest monument of English prose," and it has come to be of central importance to Western society as no other book. Thunder Bay's Holy Bible is beautifully appointed and illustrated with reproductions of original fifteenth-century masterpieces, highlighting Renaissance masterpieces from the period of 1430 to 1510. Almost every page of the Holy Bible has illuminated accents, with evocative drawings throughout from the Vatican Library, and an overall design inspired by the peerless Urbino Bible of 1478. The Holy Bible is complete with beautiful pages on which to lovingly record marriages, births, baptisms, confirmations, deaths, and family trees.

Insightful reviews

Adrienne: This is the only book you need for life. This is life's instruction manual. It will give you history, answers for EVERY issue of life, comfort in times of sorrow, encouragement, prophecy (only book with prophecies that all came true) and best of all the TRUTH of why we are here. This book is actually made of 66 books written by 40 authors over 1500 years!! It has stood the test of time. I encourage anyone to give it a try. Please do not knock it till you try it. And you dont have to start in the beginning. Try the book of John it is a great place to start.

Jen: The Holy Bible is the written world inspired by God and written by many who walked and talked with God over the past 6000 years. The creation of man, man's fall, God's plan of salvation, the prophets, judges, kings. Christ and his disciples and his ordained Apostles and their works. The Bible is the human handbook of instruction for our daily life. It holds out hope it teaches truth, it shows us the comforter and how to walk uprightly in truth and righteousness. It is a book of Mystery, Murder, Love, Hate, Principles, Parables, Princess, Kings, Queens, Men and women, Lovers and those betrayed. Sex and lust, The bible has it all. The bible has layers and you can read something again and again and every find something new not understood before and it is the love of God for all humanity and his plan for all the come to salvation. Of his ultimate gift and grace and salvation for any and all who desire to claim it. It is not an easy book. It is a book if you want to be a better person you need daily in your life. Read with a prayer and open mind and let the Spirit of God open your eyes to his wonderful plan of Salvation.

Juan Hovez: I really don't get what the big deal is. The dialouge is wooden at best, and the love stories are stapled on. The gay zombie knife fight at the top of a waterfall is almost worth slogging through the Book of Obadiah, but I admit I just skipped ahead. The One True Faith? Maybe for the Reader's Digest crowd, but I just couldn't buy it.

Carrie: 1 Million Bibles are offered each week.....4.7 billion sold....no different publication comes wherever close to that record!!It is unique.I locate it unusual that a few say, 'I don't think the Bible' that is like announcing 'I don't think History'...go to the British Museum and spot for your

self all of the artifacts and the Biblical references to the locations pointed out within the Bible. So many fanatics of William Shakespeare don't appear to be conscious of the truth that the Bard took half in translating the King James's model of the Bible into English. Like a little proof? On Shakespeare's forty sixth birthday he translated Psalm 46....count forty six phrases from the start of the Psalm and forty six phrases from the end.....he did it to place his own mark in this translation! As for the suggestions within the Bible.....yeah i feel its nice to like our neighbour as ourself....I imagine to place others first.....instead of this Age of the Ego, this Age of Me-ism....is wonderful....imagine that....no war, no violence, no abuse, no stealing.....what used to be it John Lennon wrote approximately in 'Imagine'?

Wes: in no way existence altering or anything. The plot was once demanding to keep on with and the enhancing used to be horrible. The characters have been painfully one-dimensional and this Jesus man added the various worst discussion i have ever read. All in all i discovered it too lengthy and it took itself method too seriously. the truth that it sells so good is past me and how humans carry it up you'll imagine God himself had written the rattling thing.

George: What to assert approximately this one? Firstly, it really is for much longer than it has to be to get the purpose across. I mean, will we actually need a number of thousand pages to essentially converse the 10 commandments and the way God is scary, and some thousand extra to speak that Jesus is good? i feel the matter this is that there wasn't sufficient modifying over the years. modifying was once in basic terms played by way of popes and kings to rewrite historical past the best way they sought after it to go. this day a writer could scoff at any writer desirous to post a e-book that long. Its simply now not economically feasible. And who could learn the complete thing? Secondly, its confusing. such a lot of characters and towns. i believe the addition of family members bushes and maps might vastly increase the readability. a hundred years of solitude has a genealogy within the beginning, and its a miles shorter e-book with a ways fewer characters. The Hobbit has a map, and heart Earth is way smaller than the center East. Thirdly, ancient fiction isn't really my favourite genre. I admit i locate Asia Minor extra attention-grabbing than Victorian England, yet this one simply drags on. And for old fiction, it misses the mark in a key classification - feasibility. In closing, I simply don't believe that it lives as much as the hype.
