Description

All wives sporadically want to kill their husbands - 'where there's a will, I intend to be in it' wives half joke with each other. But when Jazz Jardine is arrested for her husband's murder, the joke falls flat. Life should begin at 40. Not life imprisonment for killing your hubby.

Insightful reviews

Tara Anderton: hmmm I dont want to diss this book - but it just didnt hold my attention. It took me so long to read and normally I can finish a book in two days. By the last page I wa like for F's sake just end! I feel bad for my reaction but its the truth! There where some funny one liners but I felt like the author was trying to hard! I didnt really have a clear piture of who Hannah was at all I couldnt picture her in my head..... Anyway that is all!

Jayne: I think you might have to be in the right mood to read this. I could see that it might be funny, but I wasn't amused. Lots of witticisms, with some story thrown in.

Daphne: I really didn't enjoy this book. I thought it would be funny chick lit, but it turned out to be depressing and bitter.

Julietta: I anticipated this booklet to be a gentle and straightforward learn however it changed into one of many few books I simply couldn't finish. The characters pissed off me an excessive amount of and the writer was once making an attempt an excessive amount of to be humorous and failed miserably at it!

Ralitsa Koleva: This was once the main shallow ebook I ever read... overall waste of time... rattling even Twishit is better...

Anna: i love the assumption of the tale but when you must develop into disillusioned at your husband and want for extra this can be the book. what number divorces were spurned on by means of interpreting this book?
