Ah, young love! So sweet and innocent! In [Kitchen Princess, Volume 9: A Prince Revealed](#), Najika realizes who her heart belongs to and their adorable flirting is so stinking cute!

Just when I started feeling warm and fuzzy from all the romance, a dark secret about Daichi's past is uncovered. This poor family has gone through too much tragedy.

The title is a bit misleading because the Flan Prince is yet to be revealed. Najika finds out who it is NOT, but the identity of her Prince is still unknown.

There is only one book left and I'm already getting sad knowing I will miss Najika so much. I can't wait to read the final volume though!

Autumn: enjoyed the ending! (Daichi was once consistently my favorite.)

Andrey: virtually done...

Kayla Eklund: i am so unhappy that this sequence is nearly over. i admire it. I purely have one quantity left. it truly is one of many simply manga to ever make me cry. We realized much during this quantity approximately Daichi and Sora's past. i am more than happy with who Najika chose. i am excited to learn the final quantity within the series, and watch every thing come together.
