Description

Souvent la vie s'amuse. Elle nous offre un diamant, caché sous un ticket de métro ou le tombé d'un rideau. Embusqué dans un mot, un regard, un sourire un peu nigaud. Il faut faire attention aux détails. Ils sèment notre vie de petits cailloux et nous guident. Les gens brutaux, les gens pressés, ceux qui portent des gants de boxe ou font gicler le gravier, ignorent les détails. Ils veulent du lourd, de l'imposant, du clinquant, ils ne veulent pas perdre une minute à se baisser pour un sou, une paille, la main d'un homme tremblant. Mais si on se penche, si on arrête le temps, on découvre des diamants dans une main tendue... Et la vie n'est plus jamais triste. Ni le samedi, ni le dimanche, ni le lundi...

Insightful reviews

Noemí: El estilo no es bueno (la autora se lía con los puntos de vista y mezcla la primera y la tercera persona en un mismo párrafo); la historia se resuelve de forma precipitada después de dar vueltas sobre lo mismo durante páginas y más páginas; el intento de introducir una novela dentro de la novela no tiene ni pies ni cabeza; los personajes son cada vez más insoportables. No esperaba gran cosa, pero me ha decepcionado. El primer libro no estaba mal, el segundo era pasable y este es un despropósito.

Béatrice: Même remarque que pour "la valse lente des tortues". C'est le titre, le meilleur de cette oeuvre qui tourne au remplissage et au gngnngn!

Fernanda: Me encantó esta trilogía... Me pareció con situaciones nada ajenas a la realidad, la manera en como situaciones te sacuden y hacen que salgas de tu zona de confort, o como en ocasiones un recuerdo marca tantos aspectos de nuestra vida y da pie a nuestro carácter... Entretenida, guardada en mi corazón.

Sissi: J'aime tellement le titre, que c'est le most advantageous des trois que j'ai acheté. Dans los angeles ligne des deux premiers, intrigue plus intéressante, même que dans les autres. Sinon, kind égal, personnages sympas, state of affairs et dialogues amusants. Un peu inégal parfois, mais très bien dans son genre.

Valermore: I learn merely this book, the final of the trilogy, beacuse i did not comprehend it was once a trilogy. Sometimes the tale is going relatively gradual and a few elements are unnecessary, so i did not love it very much.

Scylla: i've got learn many not-so-entertaining books (too many even in this summer, in fact) yet this one i'm going to have in mind for a very long time - as essentially the most boring, futile, and unconvincing reads EVER. for approximately 250 pages quickly after center of the ebook i assumed it could possibly end up itself as a virtually worthy interpreting -type of e-book - i need to admit that I nonetheless like a few of Pancol's sentences and revel in interpreting her observations...But that did not happen, as the finish is the worst i've got stumble upon in a couple of months, or even years! (Yeah, that's imagined to suggest something.) No, no, no! I knew how this used to be going to finish yet am nonetheless horrified approximately the way it

used to be done. NO!! Let me clarify a bit. for nearly 2600 pages Pancol attempted to attract an image a few chilly and egocentric Hortense Cortés. And while she bought to web page 'almost 2600' she decided: Hortense desires to remodel herself as an emotionally unchecked smooth form of girl. Joséphine has fought her demons for a similar 'almost three' books. at any time when the reader thinks 'now she learns to safeguard herself. she's going to be nice, but additionally convinced and happy.' at any time when anything makes Joséphine visit sq. one (how frustrating!). This time used to be different. on the finish of this book, she is ultimately taking The bounce to Her Happiness, and starts to sound like an... well, tough and self-centered writer. I had was hoping that she may retain her sympathetic nature on the play. And Zo by no means grew right into a teenager, even notion she is pressured to take that function during this book. now not good. I want to supply this a 1.5 stars. Shirley Ward was once constructing and behaving extra like a individual and merits that much. yet , I in truth do not believe i will be able to supply that a lot to this booklet if it skill giving 2 complete stars on here...
