## Description

"My First Holy Bible" offers all the benefits of a Bible storybook and a text Bible rolled into one. Young children will take pleasure in the colorful illustrations and enjoy hearing the simple stories with a full-color, 64-page storybook built into their very own Bible. "My First Holy Bible" is the key to getting children accustomed to and comfortable with the Scriptures.

## Insightful reviews

writer...: Tyndale House Publishers took a nostalgic, creative step in March 2012 to release their new Bible, *The Way*. Originally published in the '70s Tyndale's editors decided to revive the coolness, updated for today's culture.

Using new writing via the New Living Translation, incorporating first hand, life reality stories with relevant b/w photos, they followed in the radical steps of the original - moving from text only to text illustrated with graphics and commentary.

Reflections on what it means to live in *The Way* of Jesus are transparent in both search and discovery. Real stories from real people. Life in process. Joy and lament. All contributors are acknowledged and listed in the intro, making it easy to find someone you might know.

Over 170 commissioned black+whites connect readers visually to the God Who breathed The Word being presented. Jonny Baker has contributed beautifully. In fact, both the inner and back covers are a great solitary shot of an outward looking Jonny as relevant illustration. Be sure to find more on Jonny's work online

The back of the *The Way* includes a 10 page alphabetically arranged index of the featured life stories. Also, 28 pages provide searchability for verses arranged by topic.

*The Way* is available in softcover [my review copy], HC and a leatherlike black version. I found the font vs white space made reading comfortable; lots of room to rest the eyes. Stops along *The Way* to annotate the reading were genuinely insightful, containing good knowledge with references to the scriptures being discussed.

I have been a long-time fan of the NLT since its inception in 1996. Seeing it in this handy sized book format makes it all the more accessible to readers. No larger than a typical novel, it is easily transportable. I find it an all round Lifegiving and life impacting reference manual, connecting readers with followers of *The Way* of Christ throughout the world.

Highly recommended for anyone curious about *The Way* of Christ...

TY to Tyndale's forward thinking Bible publishing - envisioning the possibilities and stepping into the gap.

Edward: I got this book in the Kindle version. This worked perfectly for me as I was able to finish reading through the entire Bible, in Chronological order, in a year. The NLT is a good compromise between being easy to read, but still accurate. Reading the Bible in chronological order was very helpful at times, for example when David sinned, the reader then can immediately read his Psalm about his repentance.

Vernie: There are bibles and there is bibles that are different from the rest.

If you like devotionals as I do but like the two-in-one kind. Then In His Image devotional bible is the answer.

Tyndale is best known for their bibles and devotionals. I have two of the ONE YEAR devotionals. Each new bible that this book publisher comes out tends to be always unique, there are specialty bibles meant for kids, teenagers, for Moms, for busy dads.

So what is this bible for, what sets it apart from the other bibles out there?

This particular bible is more focus on God his attributes, his different names, to know him better, to know more about his character.

It contains five features like Prayerful readings, God's title and names, reading guides, indexes to name a few.

But the main goal of this bible is for you to get to know more about God aside from the popular belief that he is a vengeful God or ,some one who can perform miracles but rather someone who keeps his promises, merciful and full of abundant love.

What thing I like about this aside that its an NLT kind (Translated into modern English from the ancient texts) was the fonts as I am already using an eye glasses. It is easier to read. I had been given an imported bible before but because of its fonts I am unable to fully appreciate the book.

But this is more than the fonts, I like reading it also as it contains devotionals and this is best when you are alone in quiet place where you can better relate to God's word more. This NLT (New Living Translation)will enhance your devotional reading experience and enrich your bible study because of it's clarity.

This is one of those bibles that is a great gift to someone this Christmas season. Hardbound but handy enough to bring it along with you or fits perfectly in your tote bag perhaps on your way to worship service or attending a bible study group.

Angela: This Bible is written within the New Residing Translation (NLT) which makes it extremely simple to understand. There also are footnotes on the backside of the pages to assist make clear passages even more. Additionally in the books and chapters, you will discover articles to assist us know the way those tales nonetheless observe to us today. For me this not just is helping in figuring out the message but additionally permits the tales to develop into extra genuine and aid me in attaining the relationship i'm taking a look for. Everyday concerns Bible for ladies is usually designed for use in lots of ways. you could learn it from starting to finish or commence on the New testimony after which return to the beginning. one other exceptional characteristic to aid in learning are the 24 non secular practices mapped out. you could keep on with via with only one quarter you're feeling a necessity to target or examine a number of at once. those additionally make it effortless to discover solutions you'll desire while an issue arises. For example, i've got a subject matter with forgiving myself and others as a result i'll be utilizing the Forgiveness practice. With over three hundred articles and 24 religious practices i believe convinced somebody looking will locate answers. I additionally love the methods those articles are written. they're sufficiently small for a hectic mother to slot into their day. As a girl i admire analyzing concerning the ladies of the Bible and how this Bible hyperlinks their tales to matters we are facing today. This Bible will be an excellent present to a lot of women. perhaps a present for a tender girl graduating, a brand new follower, a hectic mom, a pal that wishes encouragement, etc. Disclosure: I obtained a replica of the Bible as a member of the CWA overview crew to aid facilitate the writing of a frank and sincere review. a good evaluation isn't guaranteed, and all evaluations are my own.

Angie: I do need to say, the language during this New Residing Translation feels a bit trying-to-hard at times. The message is the same, yet within the translators try and be hip it comes off a piece foolish in it really is wording. i might most likely have hottest NIV or NAS, however it used to be a present and it truly is nonetheless God's observe and a very good discipline, encouragement and reminder of His truths each one day. learn it in 2003, 2004, 2005, 2006, 2008, 2009 and back in 2010. marvelous option to maintain day-by-day focus. may try out a unique translation a few year. \*Spoiler Alert\* God wins. :)

Tracey M.: I hugely suggest the "everyday concerns Bible for women" through Hendrickson Bibles. The everyday life demanding situations that girls come across on a daily basis should be so overwhelming that there's by no means every time to take a seat and spend time interpreting permit alongside interpreting the Bible. With those demanding situations this New Dwelling Translation Bible is straightforward to learn and that can assist you with the day-by-day demanding situations of life. It comes with over three hundred articles excited by 24 non secular practices. which every religious perform are explored in four forms of articles: daily issues that is a Two-page articles introduce significant subject matters and concentrate on a vital a part of realizing and practising a discipline, daily Profiles gains Profiles of twenty-five Biblical girls spotlight a selected discipline, daily Reflections is choices illustrate how you can customize and
