Description

Christina Alberti, an expert art historian, has run from the shadows of her past, hiding the truth and building her name as a reputable jewelry specialist at the Barclay Auction House. Everything is perfect — until a legendary and priceless diamond makes her a target for a diabolically charming con man determined to pull off the heist of the century at her expense.

FBI Agent J.T. McIntyre is determined to catch the thief who conned his father and destroyed his family. He wants revenge as much as he wants justice, and he won't let anyone stand in his way, not even Christina, whose secrets make him wonder just which side she is on.

When the diamond goes missing, the game turns deadly. Christina and J.T. take a dangerous journey deep into a world of greed and desire, secrets and seduction — until there's no betrayal left hidden and nowhere the shocking truth can hide.
